We received \$ 864,301.12 from Mesa County. The **Motion** passed with 5 votes.

REPORTS AND UPDATES

ADMINISTRATIVE REPORT

Dianna has met with her mentor, and she is going over the government accounting class, also getting the info ready for our upcoming audit and she attended a Budget 101 class, which will help us with turning all we need into the state. She will also be attending an internal Control class.

She reminded everyone that the Bowling Party will be on 03/24/24 at Freeway Bowl.

Officers Report

Chief Cavaliere stated that we are continuing to work on our new phone system transition and coordination of all components.

The new brush truck pre-bid was held on 02/29/24 and it's in the "Q" waiting for the chassis.

We have transitioned to every other month for our officers meeting format with an officer development training the other month. Our first meeting was Wednesday the 6th, with Mike Bennett presenting Leadership. This was very well presented and accepted by all attendees.

Gary Mulkey and I will be going to Meeker on 03/25/24 for the EMS provider grant hearing for the ambulance that we submitted for.

Adam Compton stated that LVFD had three cardiac arrests last year. It may not sound like a lot, but we did save their lives and we may receive the Phoenix Award in May.

Congratulations to JD on his new baby. Jake.

March 14th, 2024

Greg Reynolds has passed his Paramedic exam. Kudos to Kayden for doing an outstanding job with the communications between the engineers on the projects and maintaining vehicles.

Dominique has been hired at Palisade full time and he will be parttime with us.

Union #5625

They did have their election and Stacie Dix will be stepping down from her position and Kayden will be President and Anthony Padilla will be Secretary and Treasurer.

New Business

Increase in EMS Billing for Maximum Ambulance Rates. We will be raising our rates as of 05/01/24 and our mileage to \$30.00 per mile.

Cliff Gray motioned to raise our ambulance rates to \$30.00. **Jesse Mease** seconded the motion. The **Motion** passed with 5 votes.

Loma Heater Repair

Frank has a quote from Dragon HVAC for \$3,800.57 for a 30-day warranty to replace the switch, smart valve, and control board, but to replace the whole unit would be \$2,524.27.

Mark Bonella made a motion to have Frank move forward with the replacement of the current heater at Loma Station in the amount of \$ 2,524.27 plus sales tax.

Jeff Phillips second the motion. **The motion** was passed with 5 yes votes.

Sale of Ambulance #3112

Frank would like to sell it. There are some out there that are for \$28,000.00 and \$20,000.00 that is very comparable to what we have. One was a 2010 for \$40,000.00 and we were offered \$9,500.00 for the one we have. Maybe we should put it on the net for sale and see what kind of offer we get and make a counteroffer.

The sale of this will go toward the new ambulance that we are getting. No motion was made.

REPORTS AND UPDATES

Chief Cavaliere gave the board some info about the volunteer program. If you are here for 10 years you are fully vested and will receive \$700.00 a month after they are 55 years old, which we just raised in January of this year. We have two more that will be old enough to collect this and we are very overfunded.

Once all retirees are deceased the money will go back to the district. This could possibly last 35-40 years.

This is just some info for the board. No action needed from the board.
